

MISHPACHA GOES OUT IN SEA

A man with grey hair, wearing a grey jacket over a blue shirt, is holding a yellow esrog fruit in his right hand. He is standing in front of a large field of green plastic water jugs. In the background, there are mountains and some buildings under a clear blue sky. The scene is outdoors, likely in a rural or agricultural setting.

This year, particularly in Eretz Yisrael, the elusive esrog is on everyone's mind, as the shmittah year draws to its close. In this three-part album, join us as we follow the Ari's Zivotovsky and Greenspan to exotic esrog locations; meet Uzi Eli Chezi, the famous "esrog man" of Jerusalem; and join Ruth Golding and her entourage as they search an Israeli orchard for a kosher esrog
