

Synagogue Art Research and The OU Israel Center Present

THE SYNAGOGUES OF YOUR GRANDPARENTS

A View of the Shuls of a Forgotten World

A tour of unusual, interesting and unique
synagogues of the world
and some of the halachic history
of their Jewish iconography

First in a Series of Six Lectures

Speakers:
Rabbi Dr. Ari Zivotofsky
Dr. Ari Greenspan

Synagogue Art Research (SAR) is an *amutah* in Jerusalem whose mission is to research and publicize the art and architecture of synagogues and other elements of Jewish Built Heritage. The group was founded in 2006, by Rivka and Ben-Zion Dorfman after they had documented 350 hinterland Jewish communities and their synagogues in Central and Southern Europe.

OU Israel Center
