Any purchase made in the Passover Department will be held for delivery on any day designated up to and including March 31st.

Our Passover booklets will be mailed to you on request.

VIENNA.—Seventeen Jews were injured in anti-Semitic disturbances following anti-pogrom demonstration staged Rathaus under the patronage of the former government minister, Waber. Five Street cars were derailed, and several Jews beaten, stabbed and driven from city. Ninety-five rioters were arrested. The meeting itself to protest the jailing was undisturbed owing to presence of a thousand policemen.
