

MATZOH FUND APPEAL
for the Holy Yeshivah and Talmud Torah
TORATH EMETH
OF JERUSALEM

Dear Brothers and Sisters:

The Holy Yeshivah and Talmud Torah TORATH EMETH of Jerusalem, urgently APPEALS TO YOU, with the approach of PASSOVER for IMMEDIATE AID for its hundreds of Rabbis, Sages and scholars, hundreds of students and orphans—REFUGEES OF THE CURRENT WAR—who plead with you to help them and not permit that they go hungry during the coming holidays.

The Holy Yeshivah and Talmud Torah TORATH EMETH is under the direct supervision of the Lubavitcher Rabbi and is truly a fortress of Judaism in our Holy Land. The children who are cared for in our Institution are provided with all that is necessary for their well-being. They engage constantly in the study of the holy Torah and when they become older they are admitted to the Yeshivah, where they pursue their studies and eventually become great scholars, leaders, and true disciples of our people.

The war created such conditions, however, wherein both the children in the Talmud Torah and the grown-ups in the Yeshivah are FACING ACTUAL STARVATION and HELP IS URGENTLY NEEDED!

Thousands of unfortunates who barely escaped with their lives have come to Palestine recently. Their plight is beyond description. Our income, however, is limited because all previous sources have been completely destroyed. At the present moment ONLY YOU, THE AMERICAN JEWS, ARE THE ONES IN A POSITION TO HELP—AND HELP SOON!

As you prepare to welcome this great Holiday of Freedom stop one moment to consider the sad plight of thousands of our brethren — perhaps some who are related to you — who not so long ago were themselves the ones to extend a helping hand to others. And now they must ask for aid! DON'T REFUSE THEM YOUR AID! And as you observe the coming holidays in proper fashion, have a clear conscience — that you did your part in helping others observe the Holidays too!

We are sending you herewith a beautifully illustrated HAGADAH for PASSOVER which will most certainly decorate your Seder-table, and we ask you in turn not to forget our important institution by sending us your generous reply.

Awaiting your early and generous reply, we wish you and yours a very HAPPY AND KOSHER PASSOVER holiday, that you may always be in a position to help others, and that we may all live to see a speedy victory and that our sons and relatives return home safely from this holy war.
